

ABOUT US

VORTAC Medical is a Service-Disabled Veteran-Owned Small Business (SDVOSB). Founded by Lieutenant Commander Chris D'Errico, USN (RET), a retired Supply Corps officer with 20 years of Naval Service.

With over 20 years experience in medical device sales management, combined with his service as a U. S. Navy Supply Corps Officer, LCDR D'Errico has combined his passion for medical device sales and military logistics to provide companies consulting services when selling into the VA Medical system. Acting as a field-based resource, Vortac Medical provides sales expertise acting as a contracted Government Accounts sales manager for your sales organization.
